Objective

To expand my skillset and deliver high-quality, intricate, and intentionally crafted graphics, coding, design, and animation.

Education

Undergrad in Integrated Media Design | Lincoln Land Community College 2022 - Present
- Courses included Graphic Design, Web Design, Psychology Game System Design, 2D Design, 3D Design, and Mobile App Design.

High School Diploma | Glenwood High School 2018 - 2022
- I acquired a "Student of the Year" Culinary Arts Scholarship through the Capital Area Career Center during my Senior Year.

Experience

Front of House Team Member | Chick-fil-A 2024 – 2025
- I ran POS systems, tendered transactions, handled and served food, and provided customer service to guests. I also cleaned machines, floors, counters, POS, etc.

Front End Team Member | Menards 2023 – 2024
- I operated cash registers and POS systems, ran multiple styles of shopping carts, provided courtesy service to guests needing assistance loading product into their vehicles, and restocked the store of returned items.

Internship | Crockett Foundation June 2023 – July 2023
- Over the summer I took on the responsibilities akin to a teaching assistant for a program dedicated to teaching pre-teens the inner workings of the programming industry.

Kitchen Hand/Dishwasher | Arena Food Service, Inc. | 2021 – 2023 2021 – 2023
- I worked at the Illinois State Police Academy and did cleaning, organizing, and stocking tasks. I washed dishes, pans, etc. for the kitchen and then after the cadets ate.

Store Hand/Line Worker | Subway 2021 – 2021
- I stocked, cleaned/upkept the store, operated the POS, handled transactions, prepared, assembled, cooked, and served food. I frequently closed the store down, handling closing out cash tills and securing the store safe.
